

Suzuki Wagon R (WAGON_R) FA (August 2017) Catalog · Spec information

New car price **1,078,920** yen

Used car price range **0.1** to **1.73** million yen

Body type	Light-RV system
Number of doors	5 doors
Passenger capacity	4 people
Model	DBA-MH 35 S
Full length × full width × full height	3395 × 1475 × 1650 mm
Wheelbase	2460 mm
Before / after the tread	1295/1300 mm
Indoor length × indoor width × indoor height	2450 x 1355 x 1265 mm
Vehicle weight	730 kg

Fuel economy · performance · detailed specifications

Engine · fuel system

Engine model	R06A
Maximum output	52 PS (38 kW) / 6500 rpm
Maximum torque	6.1 kg · m (60 N · m) / 4000 rpm
type	Water-cooled inline 3-cylinder DOHC 12 valve
Total displacement	658 cc
Inner diameter x stroke	64.0 mm × 68.2 mm
Compression ratio	11.5

Supercharger	None
Fuel supply device	EPI (electronically controlled fuel injection device)
Fuel tank capacity	27 liters
Fuel used	Unleaded Regular Gasoline

Environmental specification

10 mode / 10 · 15 mode fuel consumption	---- km / liter
JC 08 mode fuel consumption	25.6 km / liter

Suspension system

Steering style	Power-assisted rack-and-pinion
Suspension type (front)	McPherson strut type coil spring
Suspension type (back)	Torsion beam type coil spring
Brake type (front)	Disk
Brake type (back)	Drum (leading trailing)
Tire size (front)	155/65 R 14 75 S
Tire size (back)	155/65 R 14 75 S
Minimum turning radius	4.4 m

Drive system

Drive system	FF
transmission	5MT
LSD	----

Speed ratio 1st speed	4.300
Second speed	2.470
3 rd gear	1.521
4th speed	1.093
5th speed	0.897
Recession	3.272
Final reduction ratio	4.526

Equipment - Option

Exterior

Front fog lamp	----
Rear fog lamp	----
Xenon head lamp (HID)	----
Projector head lamp	----
Front spoiler	----
Rear / roof spoiler	----
Rear wiper	Standard

Safety

Driver's seat airbag	Standard
Passenger's seat airbag	Standard
Side air bag	----
ABS (anti-lock brake)	Standard
Traction control	----
Front seat belt pretensioner	standard

Front seat belt force limiter	Standard
Rear seat 3-point seat belt	Standard
Seat belt with child seat fixing mechanism	Standard
Side impact bar	Standard
Brake assist	Standard
Collision safety body	Adoption
EBD (electronic braking force distribution device)	Standard
Anti-theft system	Standard
Other safety equipment	ESP
