BR-V

The **Full 7-Seater** Crossover

VERSATILE FOR ALL

Style meets utility. Space meets versatility. Efficiency meets performance. The BR-V is a full 7-Seater Crossover made for the family and exploration. Be it on urban streets or the great outdoors.

BR-V

STYLE meets **UTILITY**

Rugged yet agile. Bold yet smart. Designed with the concept of “Active Solid Motion”, the BR-V boasts a commanding road presence and features that are both stylish and practical.

Keyless Entry*

Convenience is when your car keys no longer have to be in hand to access your car.

Smart Entry*

Sensors detect the smart key so you can just pull the handles while pressing the button to unlock the door.

16" Dual Tone Alloy Wheels

Dual Tone Alloy Wheels ensure your ride is stylish and eye-catching from the ground up.

Auto Projector Headlamps with Daytime Running Lights

Designed to give superior illumination at night and improve your visibility to others during the day.

High Ground Clearance

Best-in-class ground clearance of 201mm gives you a better view and helps protect your undercarriage in rough terrain.

Tail Lights

Joined by a reflective bar, the tail lights improve your visibility to cars behind you.

Roof Rails

Add to the ruggedness of your car and allow you to carry extra cargo with ease**.

Adjustable Side Mirrors with Turning Lights

Fully adjustable side mirrors are easily positioned to maximise your view of other vehicles and have integrated turn signal indicators.

Fog Lights*

Stay safe in low visibility or low lighting conditions by switching on the Fog Lights.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

*V grade only. **Extra accessories required to secure cargo to the roof.

EFFICIENCY meets PERFORMANCE

Engineered to give you the best of both worlds, the BR-V is energy efficient yet responsively powerful and fun to drive.

1.5L i-VTEC Engine

Under the hood of the BR-V lies Honda's powerful 1.5L i-VTEC engine which produces 120 horsepower - the highest in its class.

CVT Transmission with Earth Dreams Technology

Smooth and stepless Continuous Variable Transmission (CVT) combined with Earth Dreams Technology gives you an enjoyable ride and more kilometres on less fuel.

Eco Indicator

The indicator lights up to inform you when your driving style is efficient and helping you to save fuel.

INNOVATION meets COMFORT

Finished with high quality materials and carefully designed textures, the interior cabin is one you'll look forward to sitting in every day.

Premium Leather Seats*

Whether the journey is long or short, leather seats# give a fine finish to your favourite ride.

Steering Audio Switch*

Control your audio system without taking your hands off the steering wheel.

Smartphone Connectivity*

Sync your phone to the display screen with USB and HDMI ports or via Bluetooth and safely stay in touch using Hands-Free Telephone (HFT) technology.

Push Start Button*

Start your engine effortlessly, by pressing the Push Start Button.

Auto Air Conditioner*

Automatic controls for the Air Conditioner make cooling your car a breeze.

6.1" Infotainment Screen*

A touchscreen offers a menu of infotainment options for you and your front passenger.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

*V grade only. #Combi leather (synthetic and leather)

EXPLORATION FOR 7

The best adventures are unplanned. So gather the family and see where unknown roads take you.

SPACE meets VERSATILITY

Enter the BR-V and you'll be impressed by how spacious it feels. Its well-thought-out seating is flexible enough to fit all of the family and life's daily essentials.

MULTI-SEAT CONFIGURATION

Front Back Slide 2nd Row

The 2nd row smoothly slides backwards and forwards to adjust to your passengers' comfort levels.

60:40 One Touch Tilt & Tumble 2nd Row

Tumble the 2nd row for quick and effortless access to the 3rd row.

50:50 Tilt & Full Tumble 3rd Row

The 3rd row seats can be adjusted so that the back seat lies flat or fully tumbled to maximise boot space.

539L Cargo Space

At 539 litres**, the BR-V boot is the biggest in its class, offering plenty of space for the lifestyle needs of your family.

**3rd row folded.

Rear Air Conditioner

Keep all passengers cool and comfortable with a vent dedicated to cooling the rear seats.

11 Cup Holders

Storage options abound with 11 handy cup holders found throughout the BR-V.

SAFETY meets ADVENTURE

The open road beckons. Take it on in your BR-V, which comes equipped with a suite of class-leading safety standards that have achieved 5-Star ASEAN NCAP certification.

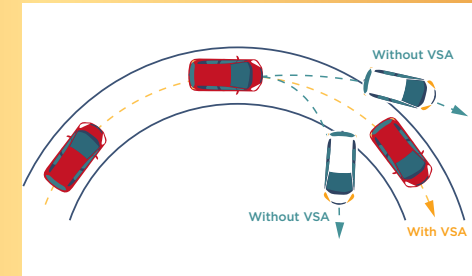

Hill Start Assist (HSA)

Release your brakes on an incline and Hill Start Assist will prevent your car from rolling back.

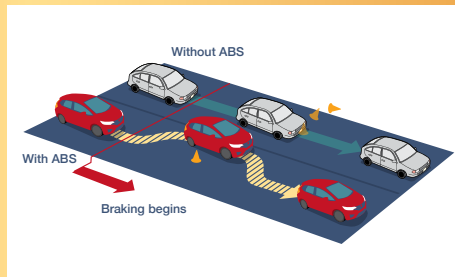

Vehicle Stability Assist (VSA)

When taking corners, VSA reduces understeer or oversteer to keep your car in its lane.

Anti-lock Braking System (ABS)

ABS improves vehicle control by preventing wheels from locking up should you suddenly brake.

ISO Fix and Tether

Rear seats are equipped with ISO Fix points - the international standard for child car seat safety.

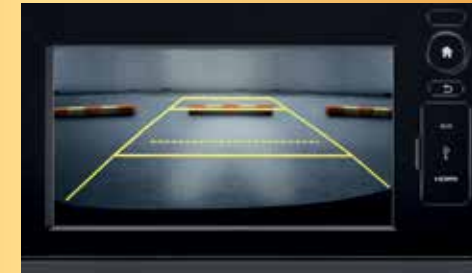

G-CON + ACE

Honda's advanced safety technology distributes G-forces from a collision across the vehicle to minimise injury.

Reverse Camera*

Ease manoeuvrability when parking with a reverse camera that shows you what you can't see.

Airbags

Recognised for excellence in ASEAN NCAP, the BR-V comes with airbags for peace of mind while taking on new adventures.
